AUSTIN ENTERTAINS AT STATE MEETING

A.A.s travelled far to attend the two-day Texas State Conference held at St. Edward's Gymnasium, Austin, last month.

The principal speaker was Ha P. of New York City, and members of various Texas groups took part in the program, which included also a showing of the *March of Dimes* film, "Problem Drinkers," and recorded talks by Marty M. and Bill.

The lighter side of life was enjoyed at a turkey barbecue, a Sunday brunch, Sunday night supper, and swimming party. Several of the visitors enjoyed the hospitality of the clubhouse at 405 West 18th Street.
