Calling A A. Doctors !

From Cape Vincent, N.Y.

THE many physicians now in A.A. face problems differing from those encountered by other A.A. members. Among them is the tremendous job of educating members of our own profession. Because we realize with deep concern that this problem of education is far beyond the power and ability of one individual I am suggesting a meeting of doctors in A.A.

This meeting will be held at Cape Vincent, N.Y. on the St. Lawrence River, on August 19-20. Discussions will be held on education, hospitalization, insurance and the care and treatment of persons suffering from alcoholism.

This gathering is to have its meeting place at my summer home, one mile from Cape Vincent. Hotel reservations may be had at The Carlton Hotel, Cape Vincent or at the Hubbard House, Clayton, N.Y. These should be made well in advance for this is the height of the vacation season.

Wives and families are welcome and I am willing to make proper arrangements in order to make the meeting a success.

If your doctor friends in A.A. do not have time to read their A.A. *Grapevine*, will you please carry this message to any physician you know in A.A.—C.R.P. Box 27, Cape Vincent, N.Y.
