## ***Hollywood Party Aids Building Fund***

Big names were plentiful at the second annual party for the building fund put on by the Central Hollywood Group of Hollywood, Calif.

The first half of the program included a vaudeville show in the theatre, seating 1,000, at the Hollywood Legion Clubhouse. Leon Errol and Charlie Irwin appeared for the second time with Bob Hope, Donald O'Connor, Keenan Wynn, Eddie Garr, Art Wayne, Billie DeWolf and others.

At 9 o'clock, the voice of Bill, one of the founders, was brought in by wire for a short talk and later the theatre was cleared for dancing while downstairs in the cabaret room, which holds 600, the entertainment continued with games and refreshments.

Although Central Hollywood took the initiative in the building fund, the building will be for all local groups for any A.A. purpose, business or recreational.
