**Q:** What is AA's "Reserve Fund," and what is it for?

**A:** The Reserve Fund was established in 1954 and essentially serves as AA's "prudent reserve." The principal purpose of the fund is to provide the financial resources necessary to continue the essential services of GSO and the Grapevine in the event of an unexpected and substantial reduction in the normal revenues of the organization, whether that situation be caused by severe economic recession, a disruption within the Fellowship, or a change in the manner of publication and distribution of AA literature, or any other cause.
