# A Merry

# Christmas

**A**S in no other season we of AA gratefully reflect upon that miracle of rebirth and regeneration which has befallen us; we joyfully gaze upon the ever brighter radiance that suffuses our once dark world. Once again we listen to our Lord's command — "Freely ye have received, freely give."

Lois and I say to you all "Merry Christmas, Merry Christmas indeed!"

**W**EN the holiday time of the year comes around we of your General Service Headquarters wish that we could speak to each and everyone of you personally. For AA this has been a year of milestones. May this coming Christmas day and all the days to follow be happy personal milestones to you all. From all of us to all of you, a happy, happy Christmas and a good New Year.

*From all of us...*
