## **Bill Starts A.A. Tour**

Bill W., accompanied by his wife, Lois, left New York this month for an extended tour of large A.A. centers in the United States and Canada. His itinerary includes parts of Canada, the West Coast, Texas, St. Louis, Mo., and Chicago.

Because all stops have already been scheduled it is impossible to change the itinerary, Bill said. He added that both he and Lois regret being unable to drop off in many more cities and towns to visit with A.A. groups.
