Christmas Message

from Bill

*IN this season of all seasons
we are filled with gratitude beyond
expression, for the great gift of
His Grace—the Grace that has set
us free to live and love. Having
so freely received let us freely
give, as never before.*

*Lois joins me in deep and
confident faith that this Christmas
of 1965—AA's Thirtieth Anniver-
sary Year—will be seen as our
finest yet.*

In Affection

Bill
