

"The Bottle"

This bottle was bought by Fred's son back in 1946. Fred was an A.A. member. The son gave it to his dad so he could continue to help the drinking alcoholic.

Also at that time Fred decided to pass it from one to another on an honor system. Each one who held the bottle had the honor of passing it on to another who was active and felt that he could carry it for a year without opening it.

From 1946 to 1954 it went from one to another in Vancouver's West End Group. In 1954 it came to Kamloops Roundup. It is now a symbol and property of the Kamloops Roundup of Alcoholics Anonymous.
